

# Brandman ACS

## Israel

Maurice I. R. Brandman established Brandman ACS, located in Tel Aviv, Israel, in 1987.

Mr. Brandman advises clients with regard to employee benefit issues in Israel. He has more than 35 years' experience in employee benefit and actuarial consultation including 30 years in Israel. Projects have included participation in international benefit audits, due diligence reviews, establishment of new retirement benefit plans, implementing supplementary medical insurance, valuation of termination liabilities for regulatory reporting (FRS17, IAS19 & ASC715) and implementation of changes to existing plans.

Member of the International Benefits Network
