

RCL

Kenya, Uganda and Tanzania

RCL is a Kenyan actuarial consultancy firm providing actuarial, financial modelling and risk management advice to governments and governmental organizations, public and private pension scheme trustees and sponsors, (re)insurance companies, not-for-profit organizations, SMEs and large-scale corporations.

Founded in 2014, RCL has experienced substantial growth and recognition in Kenya and more widely in East Africa, while maintaining high standards of service and building a strong reputation in the region for its operations. RCL won the 2017 Fund Actuary of the Year Award at the Pension Awards Gala organised by the Institute of Pension Management (Kenya).
