

# AGA Benefit Solutions

## Canada

### **Dedicated to Innovation**

Attentive to the needs of small, medium and large businesses, AGA Benefit Solutions innovates to provide solutions that fit the requirements and budgets of companies and their employees.

At AGA Benefit Solutions, an employee benefits company, we develop and administer customized group insurance and retirement plans.

We offer each of our clients the plan they are seeking: simple and easy to manage in order to better recruit, motivate and retain human capital with an attractive benefits package.

### **AGA Also Means...**

More than **300 employees** across the country

Offices in **Montreal, Quebec City, Kitchener, Markham, Edmonton, Calgary, Saint John (NB) and Vancouver**

More than **2,700 clients** that include small, medium and large businesses

Several of our clients are **nationwide businesses** with employees in every province of Canada

A team of more than **20 actuaries** able to carry out in-depth analysis

A network of external brokers across Canada

One of Canada's leading third-party administrators and third-party claims payer (TPA/TPP)

Direct access to all insurance companies

**Our promise: doing more for each client!**
