

# Vita

## USA

Vita is an insurance broker, based in the San Francisco Bay Area, who focuses on employee benefits. We provide services for health and welfare benefits, retirement plans, COBRA administration, and global benefit management. At Vita, we have a commitment to exceptional customer service. Regardless of the size of a company, be it with only two employees or thousands, we extend the same level of dedicated support. By crafting tailored strategies, ensuring adherence to regulations, and streamlining administration processes, our employee benefits solutions empower business leaders to foster growth and success.
