

Comergon S.A.

Greece and Cyprus

As one of Greece's leading corporate insurance brokers, Comergon has been serving clients from the manufacturing and service industries, the trade sector, and the logistics industry since 1994. Working closely with their clients, they devise solutions which are specifically tailored to meet individual needs and help safeguard the long-term existence of middle to large-sized businesses. Comergon operates throughout Greece, Egypt and Cyprus.

Member of the International Benefits Network

SERVICES OFFERED

Whether protecting against contingencies, structuring company or private pension schemes, or advising on insurance-based financial services, Comergon is a competent partner to help realise and optimise the possibilities in national and international markets.
