

Soderberg & Partners Norwegian Brokers

Norway

As one of the Nordic region's leading advisers and intermediaries for insurance and financial products, we aim to simplify insurance for companies as well as for private individuals. Our clients are companies, organizations, trade unions and private individuals.

With a turnover of SEK 3.5 billion (\$ 360 million), Söderberg & Partners Group is the largest insurance intermediary company in the Nordic region, and since its inception in 2004 have been able to record annual growth which is one of the strongest in the market. Today, the Group has 1800 employees, divided into approx. 70 offices in Norway, Sweden, Denmark, Finland, the Netherlands, Luxembourg and Spain. The head office is located in Stockholm.

In Norway, Söderberg & Partners purchases insurance services on behalf of its clients for NOK 2.5 billion (\$ 275 million) annually, making the Norwegian business one of the largest buyers of insurance in the Norwegian market. There are more than 200 employees in Norway.
