

Tennant Life Benefits (Pty) Ltd

South Africa

Tennant Life Benefits offers personal and corporate financial services including group retirement fund administration and consulting, financial planning and training.

Tennant Life Benefits offers a unique and personal service in nurturing and maximising its clients' wealth, employee benefits and human resources. We achieve this through our commitment to professionalism, our multi-disciplined personnel and our application of cutting-edge technology.

Tennant is owned by FedGroup and members of its management team. Our independence ensures that our service is free from institutional bias. We seek high standards of professionalism and ethics through good corporate governance, tailor-made systems and holistic planning. We are committed to Black Economic Empowerment and to the spirit of the Financial Services Charter.

Actuarial services are provided through a wholly-owned subsidiary, Genesis Actuarial Solutions with offices in Pretoria, Kroonstad and Cape Town.

Member of the International Benefits Network
