

Woodruff-Sawyer & Co.

USA - California

COMPANY OVERVIEW

As one of the largest insurance brokerage and consulting firms in the US, Woodruff Sawyer protects the people and assets of more than 4,000 companies. We provide expert counsel and fierce advocacy to protect clients against their most critical risks in property & casualty, management liability, cyber liability, employee benefits, and personal wealth management.

Our combination of expertise, advocacy, stability, and service has earned us one of the highest client satisfaction rankings in our industry. It's also the reason why thousands of companies choose us as their long-term partner.

INTERNATIONAL

We get it right when it comes to employee benefits, so you don't have to worry. Our team of experts will thoroughly learn your business, develop your long-term strategy, design a cohesive solution, assist with implementation and monitor your results. Our experts are in your corner year-round to advise you on all your benefits priorities.

Wherever your business takes you, we have the expertise and resources to manage your benefits programs worldwide, from global program design to coverage recommendations to international compliance.
