

MAI Central Eastern Europe Ltd

Central Eastern Europe

MAI Insurance Group is the leading independent network broker in Central Eastern Europe (CEE). MAI handles network clients in 25 CEE countries and can help its partner brokers in any of the 29 CEE countries. MAI has 25 country offices including 12 integrated broker partners. It handles over 1800 network clients for over 220 insurance brokers from around the world.

Its activities include insurance and reinsurance broking, employee benefits planning, specialist consulting for mergers and acquisitions, cyber and risk management.

MAI was voted the best broker in Eastern Europe by Euromoney Magazine in 2008.
